Earth Plus Radio

Last updated: September 29, 2025

1. General

This Privacy Policy explains how the Earth Plus Radio application ("App") collects, uses, and protects user information.

By using the App, you agree to this Privacy Policy.

2. Information Collection

The App does not collect personally identifiable information such as name, address, phone number, or email.

The App may automatically collect limited technical information, including:

- device model and type;
 - operating system version;
 - system language;
 - anonymous identifiers (e.g. Advertising ID);
 - crash reports and usage statistics.
-

3. Use of Information

The collected information is used only to:

- ensure proper app functionality;
 - improve user experience;
 - analyze performance and stability;
 - display ads (if enabled).
-

4. Advertising & Third-Party Services

The App may use third-party services such as:

- Google AdMob
- Firebase Analytics
- OneSignal (push notifications)
- other advertising or analytics SDKs

These services may collect anonymized data in accordance with their own privacy policies.

5. Permissions

The App may request system permissions only when necessary to provide core features such as radio streaming and notifications.

6. Children's Information (Family Policy)

The App is not intended for children under the age of 13 and is not directed toward a child audience.

We do not knowingly collect personal data from children. If we become aware that personal information of a child has been provided without parental consent, such information will be promptly removed.

Advertising and third-party services used in the App are configured in compliance with Google Play policies and are not intended for child-targeted advertising.

7. Data Security

We take reasonable measures to protect user information from unauthorized access, alteration, or disclosure.

8. Changes to This Policy

This Privacy Policy may be updated from time to time. The latest version will always be available within the App or on the official website.
